

7th Annual

No Barriers Outdoor Classic

AUGUST 12, 2018 | MOUNTAIN AIR COUNTRY CLUB

NO BARRIERS

Join No Barriers and help our veterans return home with purpose and community.

The **No Barriers Outdoor Classic** raises money to support No Barriers USA. With your participation and sponsorship, we can help individuals step into their full potential through our groundbreaking programs for wounded veterans, youth growing up in generational poverty, and individuals with disabilities.

Join No Barriers Warriors and Mountain Air Community Members for an 18-hole scramble tournament at the exclusive *Mountain Air Country Club*.

Golf alongside No Barriers Warriors alumni and hear about their life-changing experiences through our programs for veterans with disabilities.

Enjoy an inspirational dinner with No Barriers Warriors alum as well as No Barriers Ambassador and deaf American jazz and pop singer and songwriter who took part in the 12th season of America's Got Talent, **Mandy Harvey**.

Energize your employees and customers, connect them to a larger purpose and show your support for veterans.
